

ATTACHMENT #3

Federal Employee Transportation Survey

Note: This second survey is being conducted to follow up on how federal employees get to work. The information will be used by the Office of Management and Budget and the General Services Administration in determining the number of federal employees participating in some form of ridesharing. Participation in this survey is purely voluntary.

1. What department/agency do you work for? \_\_\_\_\_

2. What building do you work in?

Building name or location \_\_\_\_\_

Building address \_\_\_\_\_

Street \_\_\_\_\_

City, State \_\_\_\_\_

3. What is the method you usually use to commute to and from work? (Please indicate the one answer which best describes your commute as of early Nov. 1980).

☐ Drive alone

☐ Privately leased bus (buspool)

☐ Carpool

☐ Mass transit (bus, subway, commuter train)

☐ Vanpool

☐ Other (walk, bicycle, motorcycle)
